- Editing videos and posting content to personal media production account @fishrose_productions

Employment Experience

Camp Kawaga, Minocqua, WI | Camp Counselor & Camping Team

Summers, 2023 - 2026

Counselor

Summer 2023, 2024, 2025, 2026

- Responsible for the management and safety of 6 to 12 campers ages 8 to 10, with close attention to mental health and the creation of a positive environment, 24 hours a day for 8 weeks.
- Accountable for providing instruction focusing on safely executing skills in waterskiing, swimming, archery, and numerous sports, addressing varying developmental levels for groups of kids ages 8-16

Camping Team

Summer 2023, 2024

- Collaborated with a team to coordinate logistics for 14 camping trips, including locations, food, equipment, and travel for up to 35 participants per trip.
- Contributed to the decision making process for new equipment purchases and helped restructure the planning program to ensure camper safety and support skill development.
- Developed and taught curriculum for outdoor education programs and spearheaded the development and execution of an advanced outdoor program for older campers.
- Served as a team co lead for multiple wilderness camping trips ranging from overnight to week long outings for groups of 8 to 25 campers, ensuring a safe, memorable, and enjoyable experience for all participants.
